COMMUNICATING WITH THE SCHOOL

A PARENT/CARER GUIDE

MESSAGE FROM THE HEAD

We believe it is important that parents feel they can contact the school no matter what the reason.

Every student is different and we are aware that sometimes parents just need clarification of a homework or sports fixture, but there are other times when a more serious issue needs to be raised.

We at Barnhill are always striving to improve communication with parents. This leaflet is designed to let you know who to contact and how, either by telephone or e-mail.

We will always work to respond to your communication within 48 hours. This time frame allows us to gather the relevant information, although in some cases this may take more time. If so, we will aim to notify you as to when we will be making contact.

Just like everyone else we do like to get positive feedback so if we have done something well please do let us know.

Mr Jones

Head of Barnhill Community High School

USEFUL CONTACTS

We prefer for you to contact us by email. Please use staff email addresses if you need to contact staff directly. If you are unaware of a teacher's email address, please send your email to enquires@barnhill.school mentioning the staff name in the subject line.

Teachers are not in a position to check emails consistently throughout the day and the school does not expect work email to be checked during a teacher's personal time.

Teachers want to respond to parental queries at the earliest opportunity and will do their best to do so, however, the majority of teachers' time is taken up teaching and preparing lessons. Teachers' responsibilities extend beyond the classroom, and they may be unable to respond to you on the day a query is made. If you need to speak to a senior member of staff, please contact the email address above outlining your concern. We aim to respond to you as soon as possible and within 48 hours. Part-time staff may take longer to reply.
