

LYNDZI MUNDAY

Before I arrived at Barnhill, I thought it was going to be smaller and I couldn't wait for it to be built, because it was going to be a brand new clean school.

When I arrived, it was massive, I couldn't believe how smart, clean and tidy it was. Our classrooms were massive and have carpet. The things that went on, was school were school trips. We all went to the zoo, warwick castle (it was nice there plus it was hot and we was by a lake).

The Christmas concert was fun, because me and some mates did S Club 7 (pop song) we had to practice for about 9 weeks every day. It all went well. At sports day, I entered for relay, sprinting and basketball. My tutor group came 2nd! There was 1 point difference!!

Our facilities are really good. We've got a brand new astro turf and sports hall.

I enjoy coming to school, and school is really fun. I get on with my friends.

Our Disco's are really good!!
