Barnhill Community high in the year 2000

Curtis Bennett

I am a student of Barnhill in year 2000
I belong to 7TA class It has 26 pupils in it.
The things I like about barnhill are
the sports clubs there are Football, cricket, netball
Basketball, table tennis, ... I like it because there
are only year 7 and 8 and it is not cramped into
one building unlike other schools.
