Executive Head Teacher: Tracey Hemming

Dear parents/carers,

I am writing to inform you that we are launching a new parent app. Go 4 Schools is an online virtual platform that we use to record information relevant to every students progress and attitude to learning. By downloading the app you will have access to your child's timetable, full attendance and punctuality record as well a comprehensive breakdown of how they are doing in each one of their subjects. The app will also grant you access to your child's end of year report which is set to include their current grade in each of their subjects as well as their attitude to learning since the start of online learning.

Attached is the GO 4 Schools parent app guide where you can access all the information regarding the app, including how to download and register as a first time user. Please be aware that in order to have access to the app you must use the email address the school has on file for you. If your email has changed please contact your child's head of year with your new contact information.

Many thanks,

Miss N Monteiro  
Assistant Head Teacher KS4
