

October 2025

Year 11 Saturday Intervention – Autumn 1 Schedule

Saturday 4 October 2025	English, Maths, Physics
Saturday 11 October 2025	English, Maths
Saturday 18 October 2025	English, Maths, Physics, Biology
Saturday 25 October 2025	Maths, Physics, Biology

Every week, the Raising Achievement Team in Year 11 will review student learning, discuss with teachers and select students who are not achieving their potential yet and could benefit from booster sessions on Saturdays. Part of this selection process is also looking at student's attitude towards learning and attendance to school.

If your child is selected, their name is posted in the full list on the Year 11 Teams Page and students are asked to check this every week. If invited to Saturday booster sessions, attendance is compulsory. We appreciate parental support with attendance and punctuality. Please see below for an outline of how the day operates.

Arrival	8.55am
Session 1	9am promptly Any students arriving after 9.15 will be asked to contact parents and explain why they are being asked to go back home – to avoid disrupting the learning
Break and snacks	10.45am
Session 2	11am promptly
End of Saturday booster sessions	12.50pm
All students and staff off site	1pm

Students do not have attend in school uniform but must wear appropriate clothing for school and remember they are still representing our school in the community and therefore must comply with our school rules, as per our behaviour policy.
