

SUMMER TERM

Senior Leadership Message

This edition: Ms Bertin, Deputy Headteacher,

As we approach the upcoming examination period, for year 11 and 13 we would like to take this opportunity to ensure that all students are fully prepared and equipped for success.

Exams can be a challenging time, and being organised plays a significant role in helping students feel confident and perform at their best. One of the simplest yet most important ways you can support your child is by helping them arrive at each exam with the correct equipment.

Even if not sitting exams it is important that all students are fully prepared for lessons and assessments- full details of our equipment list can be found here.

[Uniform & Equipment - Barnhill Community High School](#)

The students have settled well into this half term- and lots has taken place already including a year 7 and 10 parents evening. It was great to hear all the conversations about students thriving and their steps to improve further. Another way we can support our student is with extracurricular clubs, it is important for all students to have the opportunity to try new things and meet new people. Please see information on how you can support your child to do this.

[Extra-Curricular Clubs - Barnhill Community High School](#)

This term we have had some amazing assemblies run by external companies on sexual health and relationships. There will also be workshops and assemblies on misogyny - to ensure all our students feel safe and are educated on key issues. If you feel your child needs any extra support at school, please do not hesitate to get in touch.

Key Dates

- **Options Evening for Y9** Thursday 30th April
Doors open 5pm and close 7pm.
Presentations are 5:30pm & 6:30pm

Making the News this Week

Selected students visited Sky studios to try their hand at presenting and filming whilst another group of music students performed at the Jack Petchey Awards to compete for a £1000 prize for our school. Full articles and photos will be appear under our [Latest News](#) on the website soon.

SEND: Hillingdon Parent Carer Forum

Hillingdon PCF support families of children with SEND and have a [survey](#) running to help with some planned initiatives. Your input would be greatly appreciated. The latest PCF newsletter is [here](#) and please do 'Save the Date' for their Family event on 11th July.

6th Formers Going to High Places!

We are delighted to announce that **Lamis** has been offered a place at Cambridge University (subject to achieving the required grades) and **Samira** has been invited to the IoPPN (Institute of Psychiatry, Psychology and Neuroscience) Youth Awards at Kings College London with the opportunity to meet a range of researchers and academics and gain insight into what further study and careers in STEM subjects entail.

Motivation

As we approach the forthcoming exam season, some sage advice from the inventor of the telephone whose words are just as relevant even though technology has long since changed the shape of communication!
